PART III — NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously reported, Volt Information Sciences, Inc. ("Company") has been in the process of restating certain prior period's financial statements and had been unable to timely file annual and quarterly reports with the SEC for periods from August 2, 2009. On April 9, 2013, the Company filed a Form 10-K for each of the fiscal years ended November 1, 2009 and October 31, 2010. The October 31, 2010 Form 10-K also restated certain items and made other corrective adjustments to certain previously filed financial statements. The Company is in the process of preparing Annual Reports on Form 10-K for the each of the fiscal years ended October 30, 2011 and October 28, 2012, but has not yet been able to complete this. As a result, the Company's Quarterly Report on Form 10-Q for the quarter ended April 28, 2013 could not, without unreasonable effort and expense, have been filed before its June 7, 2013 due date, nor can it be filed by June 12, 2013, the extended due date of such report.

PART IV — OTHER INFORMATION

- (1) Name and telephone number of person to contact in regard to this notification:

<u>James Whitney</u>	<u>212</u>	<u>704-7921</u>
(Name)	(Area Code)	(Telephone Number)

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). YES No

The Company has not filed its Quarterly Reports on Form 10-Q for the quarters ended January 30, 2011, May 1, 2011, July 31, 2011, January 29, 2012, April 29, 2012, July 29, 2012, and January 27, 2013, nor its Annual Reports on Form 10-K for the years ended October 30, 2011 and October 28, 2012.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? YES No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of results cannot be made.

As a result of the restatements, it is not possible to make a reasonable estimate of the Company's consolidated results of operations for the three months ended April 28, 2013 or the three months ended April 29, 2012, nor to quantify any significant change in the Company's consolidated results of operations between the comparable periods, until the Company determines how each period will be impacted by the restatement and prepares financial statements for the three months ended April 28, 2013 and the three months ended April 29, 2012.

The Company intends to issue a public disclosure containing a business update and certain selected unaudited financial information with respect to the quarter ended April 28, 2013.
